

REMARKS

Claims 9, 10, and 21 have been canceled. New claims 31-38 have been added.

The amendments to the specification and claims and new claims 31-38 are supported at least by text appearing at p. 6, line 22 through p. 11, line 18 of the application as originally filed. No new matter is added by the amendments to the specification or claims, or by new claims 31-38.

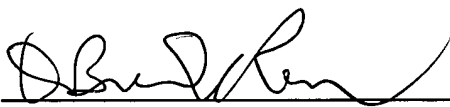

In the previous application, claims 1-8, 11-20 and 22-38 as herein presented, were allowed. This application is submitted in an abundance of caution to submit art of which the undersigned just became aware.

Claims 31-38 are newly added, and clearly supported by the specification and drawings as originally filed.

This application is believed to be in condition for allowance and action to that end is requested. The Examiner is requested to telephone the undersigned in the event that the next office action is one other than a Notice of Allowance.

Respectfully submitted,

Dated: 7-16-03
